

## As of January 4, our new online giving platform is ready for you!

- Access your giving profile 24/7 from anywhere (computer desktop, tablet, smart phone)
- Set up and manage recurring gifts or give with a one-time donation using a credit/debit card or ACH transfer from your bank account
- Designate your gift into separate categories with a “click”
- View and print your giving history at any time
- Donation receipt is emailed after every online transaction

## Setup is easy! Follow these instructions!

1. From church website, [www.harmonychurch.life](http://www.harmonychurch.life), select “GIVE” on the Home page
2. Select “Give Online” as your method of giving

3. From the giving online page, select the top blue box “Give Online”
4. Create your personal profile by clicking “Log In” at the top left of next screen.

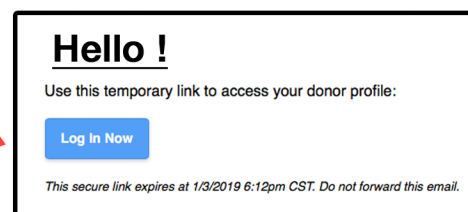

(Note: A personal profile is required to record your giving history. It can store your card/ACH information for quick future donations.

The gray “Donate” Box below is only used for a one-time guest contribution and is not attached to any personal profile, although a receipt would still be generated.)

5. Enter your email address and select blue button “Send me a log in link”.

6. From your email, click on the temporary link “Log In Now” which will direct you to the “Create your Donor Profile” page.

7. After entering your name, follow the prompts for payment set up and other options.
