# TIC-TAC-BINGO SCENARIOS

1. Your brother sticks his tongue out at you when he gets what he wants instead of you getting what you wanted. You smile back at him instead of getting mad.
2. Your sister plays with your new toy without your permission. You snatch it back and yell at her.
3. A kid at school says something really mean to you, so you push him down.
4. Your mom doesn't buy what you asked her to get at the store. You give her a hug and say, "It's OK, Mom. I forgive you."
5. A friend doesn't invite you to their party. You're sad and hurt, but you invite them to your party anyway.
6. Your teacher hasn't chosen you for a special job all week. When she chooses someone else to be line leader, you cross your arms and pout.
7. Your neighbor breaks your favorite toy. You say, "It's OK. I know you didn't mean to do it."
8. You're at the beach when some kids run right over the sandcastle you're working on. You yell and throw sand at them.
9. Your friend is supposed to come play with you after school today. But when you see her at school, she says she doesn't want to come. So you make mean faces at her for the rest of the day.
